However, no reduction shall be made by way of adjustment on account of any decrease in the average consumer price index between two (2) successive calendar years. No adjustment provided for herein shall exceed five percent (5%) per annum except when the change in the average consumer price index exceeds ten percent (10%), in which event the adjustment shall be equal to five percent (5%) plus one percent (1%) for each one percent (1%) or fraction thereof beyond ten percent (10%).
